

CoFACE\* identifies cyberbullying as a major problem and something that concerns families.

We wanted to do something about it, so with the cooperation of 8 partners...

this new project was born.

\* CoFACE is a European network of family organisations representing the interest of ALL families at the European level.

# CONFERENCE of MUTUAL LEARNING

Researchers, young persons, online service providers, law enforcement, schools and NGOs are taking part in the debate.

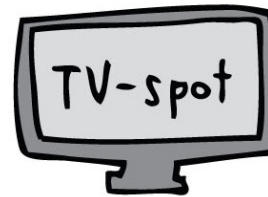

We will develop a new tool for parents, teachers  
and schools: an
